

## Equitable access to basic needs and supports

<b>Idea 40</b>	Access to high-quality childcare and early childhood education
<b>Proposal 40c</b>	Recruit and retain teachers
<b>Description</b>	<b>Encourage people to become teachers and be intentional about retention methods</b>
<b>How will the proposed action advance equitable health and well-being?</b>	Social emotional learning builds resiliency and healthy coping mechanisms, beyond coping to survive.
<b>Is there work we can build on?</b>	
<b>Who would have to act? Who would be key partners?</b>	
<b>A few high-level action steps</b>	
<b>Other comments or guidance</b>	Requires respect, as well as increased pay.
