

**Economic well-being**

<b>Idea 4</b>	Taxation and other policies that reduce wealth gaps
<b>Proposal 4a</b>	Establish guaranteed income targeted towards historically marginalized people and communities
<b>Description</b>	<p><b>Establish targeted economic policies, governmental and philanthropic programs that provide wealth access and incent upward mobility for historically marginalized people and communities</b>, including:</p> <ul style="list-style-type: none"> <li>• Cash payments</li> <li>• Baby bonds</li> <li>• Debt elimination</li> <li>• 15-year federal tax holiday</li> <li>• Free college</li> </ul> <p>Equitable investment in Black communities (healthcare systems, education, community-driven solutions, Black businesses, social capital)</p>
<b>How will the proposed action advance equitable health and well-being?</b>	Increasing wealth access for historically marginalized people would result in significant health benefits for those populations.
<b>Is there work we can build on?</b>	
<b>Who would have to act? Who would be key partners?</b>	
<b>A few high-level action steps</b>
